Introducing: Account Guard Alerts

The credit union is pleased to announce a new free security service to credit union members with Visa credit cards or MasterMoney debit cards through American Pride Credit Union.

Account Guard Alerts is a notification service which allows you to register your Visa credit card or MasterMoney debit card and be notified by text or e-mail whenever a purchase or cash advance is made on your card.

With Account Guard Purchase Alerts powered by Visa, you can receive near real-time updates on your Visa® card activity. You can act quickly to help reduce fraud and monitor your account, wherever you are. You can be notified by text or e-mail message and you have the ability to set what kind of alerts you want to receive based on dollar amount, place used, or foreign transactions.

Account Guard Alerts for MasterCard debit cards features a credit union branded web site where you can register your card and setup the kind of alerts you want: transaction based alerts, declines, and even foreign transactions can be set up. You can even track more than one card in your family from the same site. You can act quickly to deter fraud with alerts by text message or e-mail. And coming soon, you'll have the ability to block and unblock your own card.

Go to our website at www.americanpridecu.org and click on the Account Guard Alerts Registration tab to setup you free alert service.
